Yes...

Will schedule myself and a coworker to attend the Hollywood Media District PLUM Meeting...

Hearing the perspective on participative sidewalk repair from the private sector such as a BID, will help staff develop a recommendation for policy that may or could help the parties meet mutual goals.

If you use google appointment for the PLUM meeting kindly forward an appointment to my attention... or, please reply with the meeting details such that we can create an appointment over here.

Best to you and HMD,

Carl

Thank you Commissioner James!

Dear Carl,

I hope this message finds you well!

Can we meet up with you to discuss how we can collaborate on getting the sidewalks in the Hollywood Media District repaired.

Our Plum Committee meets on Thursday June 2nd at 3 pm in the Hollywood area.

Can you make that meeting?

Cheers,

Ferris

Dear Kevin,
It was pleasure talking to you this afternoon.

As agreed this email is a reminder on looking at the possibility of making our BID area a pilot project for sidewalk repairs.

I have looped in Lisa Schechter, Executive Director, with this email.

Cheers,
Ferris
